Regional Screening Application Part B – Parental Approval

I understand that my son/daughter is applying for the RBG ECO Studies Program at Aldershot School to begin Semester 2, February 2017. I know this means that my son/daughter will be revising their Semester 2 time table to the courses stated in the Program Brochure and Web site (ecostudies.ca). I also understand that in order to complete the application to the ECO Studies Program my son/daughter must register online at www.onsorts.ca. A **program fee of \$400-\$550** to supplement the cost of field trips, transportation, new scientific equipment, and outdoor education equipment (**fee is subject to change depending on the level of external funding support from our program partners RBG, Ministry of Education, Halton District School Board, Attridge Transportation, and others) is required upon acceptance into the program. Students in financial need may apply for assistance in payment of the program fee.

My Son/daughter has my permission to apply for this course. Notification of acceptance into the program to follow a personal interview with the ECO Studies Teaching Team. Thank you very much for your time and consideration of this innovative program.
